

Oregon Private Security Providers and  
employers of Private Security Providers;

It is with a degree of sadness that I announce on 30 JUN 2022, I will be closing business. At that time, I will have been providing unarmed instruction for nearly 12 years and for many of you, you may have only ever seen me as your instructor.

In the climate of COVID, social distancing and online training, I fear that in-person contact security training has an expiration date.

I am beginning the wind down currently and you will see fewer classes on the schedule. On DPSST's website, you can find a list of instructors. The instructor list notes those who offer the services online.

If any companies want to continue a relationship after 30 JUN 2022, please contact me and I will be happy to see if we can work out something.

It has been an honor that cannot be put into words to help you and your companies over the last decade.

I will miss you guys.
